Madras.10.6

Sub: MEDICAL INSTITUTIONS- Opening of a Primary Health
Centre at Hebri in Karkal Taluk - Rural dispensary
at Hebri - closure of
Ref: Letter Ref.C.No.206-52-B dated 27-2-53 from the
Project Executive Officer, S.K.

The Project Executive Officer, South Kanara in his
letter Rc.No.206-52-B dated 27-2-53 intimates to me that it has
been proposed to open a Primary Health Centre at Hebri. According
to clause 8 of the agreement executed by the Medical Practitioner,
Rural Dispensary, Hebri, if the District Board finds the said
dispensary superfluous on account of its proximity to other Rural
dispensaries or Government Medical institutions it may after
obtaining the previous approval of the Government close the Rural
Dispensary after giving three months' notice to the Medical
Practitioner. In order to enable me to give necessary notice,
it is necessary to obtain the previous approval of the Government
to the proposal of closing down the Rural dispensary in question.
A copy of District Board resolution No. 102 dated 23-3-1953
in the matter is enclosed.

I, therefore request that the Government may be pleased
to accord necessary approval for closing the Rural Dispensary,
Hebri after giving three months' notice to the Practitioner in
the circumstances stated above

For President,
District Board, South Kanara.

Office of the Principal,
College of Indigenous Medicine,
Madras-10.

On 12/80-4521 P. 1-4-53

Extract from the proceedings of the meeting of the Members of the SOUTH KANARA DISTRICT BOARD dated 23-3-1953.

102. Read this office letter Ref.C.No.A4-318-53 dated 21-1-1953 requesting the Community Project Officer, South Kanara to furnish a list of villages where it has been proposed to open the Primary Health Centre under Community Project Scheme.

Also letter Ref.C.No.206-52-B dated 27-2-1953 in reply from the Community Project Officer, South Kanara informing that it has been proposed to open Primary Centres one at Bajpe and the other at Hebri.

A. Also Office note dated 8-3-1953 stating that the matter of closing of the Rural Dispensary at Hebri may be placed before the Board and the Government may be addressed in the matter of terminating the services of the Rural Medical Practitioner by giving three months' notice, as was done in the case of Rural Dispensary at Bajpe and finding out a suitable place for transferring the provision of the Rural Dispensary Hebri for opening a new one.

RESOLUTION: " The Government may be addressed to accord approval to terminate the services of Rural Medical Practitioner "

(True extract) 
For President

(sd) B. Manjaya Hegde
President.

d. 28.2.53

pl-c-f from the H.D.M. end no. 5239 C/53
d. 16.4.53

The P.D.B. Dt. Bd. South Kannur
has proposed to close the subsidized rural
ayurvedic dispensary at Helri, South Kannur Dt. on the
ground that a primary health centre
is proposed to be opened at Helri under
the Community Project scheme. The
Public (Community project) department
may be requested to state whether sanction
has been accorded for opening a primary
health centre at Helri and under the
Community project scheme and if so to put up
a copy of the order for reference.

It is not clear from the
resolution of the Dt. Bd. on page 3 C. 2. whether
it is the intention of the board to utilize
the provision of the rural dispensary at Helri
for opening a new rural dispensary in the
district after closing this dispensary. This
will be clarified by a reference to the P.D.B. after
3. May be sent to Public (C.P.) with

Public (C.P.)

Public (C.P.) Dept.

Please see the note of Health
Dept. above. It is noted that the selection
of health centres in C.P. areas has not yet been

finalised. It is since proposed to examine the whole question afresh, in view of the fact that there are already certain institutions which may conform to the standard of a primary health centre as contemplated under C.P. Scheme in some Project Areas and consequently there may not be any need to open fresh centres and that in case, where they are not upto the standard, to improve them from C.P. funds. Information regarding the institutions and staff now functioning in all the Project Areas ^(have been been checked for) only on receipt of the above information a final decision will be reached. ~~hence~~ Pending finalisation of the fixation of the Primary and Secondary Health centres, the Project Executive officers have been allowed to proceed with the starting of one or two Primary centres wherever financial and other contributions are forthcoming from the local population - vide Memo No. 682 L/53-2 Health - 9.1.53. The P.E.O. ~~at~~ Bangalore has ~~now~~ started 2 Primary Health centres one at Baipe and the other at Helvi assembly on 10.4.53. No such order referred to by Health has been issued in this Deptt with these remarks the file may be returned to Health Deptt.
